The little black pill...
unlike other ED meds
on the market didn't
come with unpleasant,
and potentially danger-
ous, side effects.

Lethal Load

"Here it is," Joni told her boyfriend, placing the little black pill in the palm of his hand.

There was a reverence in her voice, a reverence which seemed incongruous with the nature of the pill. After all, it was just sex. The pill wasn't going to make him a billionaire or give him the ability to fly.

It was, however, going to make his dick hard.

Scott looked at the pill. Then he looked at his girlfriend. "You sure it's safe?"

Joni rolled her eyes. "Do you think I would give it to you if it wasn't safe?"

"Well, no, but—"

"You sure it's safe?"

"Then shut up and take the damned pill! I'm dying over here, Scott. We haven't had sex in weeks . . ."

It was true. Scott hadn't balled Joni in almost a month. His severe erectile dysfunction had seen to that. The problem had plagued him most of his adult life, but it had never been this bad. A month was a long time. Too long. Enough was enough.

Still, he hesitated to swallow the pill.

And with good reason.

The medication had yet to be approved by the federal government; it was still in the experimental stages. More tests, Joni had explained, needed to be administered before the little black pill could be made available for public consumption.

Of course, procuring the pill had posed no problem for Joni. She worked as a chemist at the pharmaceutical company that had created the medication. Smuggling a handful of tablets

from the lab had been a cinch. And she didn't share Scott's safety concerns. Having conducted many of the tests herself, she had witnessed no adverse side effects in the lab.

Raging hard-ons.

That's what she had seen.

Boners galore.

The little black pill worked. And unlike the other ED meds on the market, it didn't come with unpleasant, and potentially dangerous, side effects. Low blood pressure. Dizziness. Visual disturbances. Heart attacks. Strokes. The little black pill in the palm of Scott's hand wasn't like that. It was, however, a ticket to fantastic

sex. Now if she could just get him to swallow the damned thing . . .

"The remainder of the tests," Joni said, "are a mere formality."

"Formality, huh?"

"Trust me."

After much hemming and hawing Scott finally came around. "Here goes nothing." He threw back his head and dropped the pill in his mouth, swallowing it without the aid of a beverage.

Joni smiled naughtily. "You won't regret it."

And he didn't, not by a long-shot. The pill took effect with astonishing rapidity. In less than a minute Scott had a rock-hard erection. Her heart racing, Joni eyed the bulge in his pants.

"Houston," she said, "we have liftoff."

Scott lay on the bed, hands crossed behind his head, while Joni unzipped him and liberated his cock. He gazed at the ceiling, relishing the sensation of her moist lips sliding up and down his stiff pole. She bobbed her head faster and faster, gobbling his dick with superlative skill.

Joni gave great head.
The best.

Still, he couldn't wait to fuck her. And he knew she was ready, too. Finally, after almost a month, he was hard enough to pound her pussy good and proper.

He sat up and helped Joni out of her blouse and bra. Her tits, big and bouncy, sprang free. He leaned forward and took a nipple in his mouth. The nipple was stiff, and he made it stiffer with his tongue. Joni moaned with pleasure. She stretched out on the bed, running her fingers through Scott's thick hair as he nibbled and sucked her ample jugs, making her hotter and wetter.

Scott worked his way down and unbuttoned her slacks. He removed them roughly before peeling her panties with much haste. Then he went down on her, burying his face between her parted thighs. She gasped delightedly, writhing atop the comforter, writhing and shuddering when his questing tongue found her clit. It remained there for several minutes, working her into a frenzy of lusty desire.

"Fuck me!" Joni bellowed. "Do it, baby!"

Scott complied without delay, but only after flipping her over onto all fours. One hand squeezed her hip; the other held his cock which he guided inside her, skewering her cunt from behind. He fucked her like that, both hands holding her waist, fucked her with everything he had. Scott made up for lost time, making amends for all the soft-pecker failures of the past few weeks. Federal approval be damned, he thought. The little black pill was a winner!

Joni loved being hammered from behind, loved the feeling of Scott's stiff schlong pounding her pussy, loved the loud slapping of their bodies . . .

Unfortunately, it couldn't last forever. Scott pulled out. He had

every intention of dumping his load on Joni's ass. But he leaned too far to one side and lost his balance, almost falling off the bed. This altered his aim at the pivotal moment . . .

Scott's cock exploded with superhuman fury.

A load of cum the likes of which he had never seen nor felt shot from his throbbing glans. The volley of propulsive jizz struck the wall beside the bed, leaving a baseball-sized hole in its wake. The hole, Scott realized with astonishment, went all the way through the wall; he could actually see into the apartment next door! Thankfully, his neighbors—Mr. and Mrs. Cavett—didn't appear to be home.

"Shit, Joni! Did you see that?!"

Joni didn't say a word. Stunned into silence, she got off the bed and went to inspect the damage.

"Amazing," she said, shaking her head in disbelief. Then she turned her eyes on Scott. "Did it hurt?"

"Not at all," he told her. "Just the opposite, in fact. The best orgasm of my life."

"And the most powerful," Joni added.

Scott searched her face. "Nothing like this ever occurred in the lab, did it?"

"Of course not." She frowned at her boyfriend. "Do you honestly think I would have let you take the pill if it had? Imagine what would've happened if you had come inside me . . ."

Scott's face drained of color.

"I'd be history," Joni continued. "You would have blown a hole through my pelvis!"

The image sent a chill down Scott's spine.

Joni said, "I've got to report this to my boss right away."

Not bothering with her slacks, she put on her panties and bra and blouse, then plucked her phone from the nightstand.

"Wait just a minute," Scott stopped her. "You're not thinking straight, Joni. If you call he'll know that you smuggled the pills."

She put down the phone. "You're right," she said, feeling like a total imbecile. "What should we do?"

Scott gave it some thought. "Further tests—the ones you referred to as a 'mere formality'—should uncover the problem, don't you think?"

"I certainly hope so."

"Then there's nothing to worry about. The issue will be resolved before the pill is made available to the public. Nobody has to know a thing about what happened here tonight. It'll be our little secret."

Joni relaxed. Scott was right. She had blown the whole thing out of proportion, making a mountain out of a mole hill. She

went to the kitchen and retrieved the rest of the pills from her purse.

"I'm flushing," she announced from the hall, "these damned things down the toilet."

Scott rushed from the bedroom and met her in the bathroom. He made it just in time. "Don't," he said, grabbing her wrist. For the second time that night Joni frowned at her boyfriend.

"What are you doing, Scott?"

"Stopping you from making another mistake. Thanks to those little black pills we just had the best sex of our lives, wouldn't you agree?" He didn't wait for a reply before continuing his spiel. "I'd like to finish what we started . . ."

Joni thought it over. "I don't know if I'm comfortable with that. What if you accidentally come inside me? Can you imagine—"

"I won't," Scott interrupted, still holding her wrist. "I'll pull out with plenty of time to spare."

"And blow another hole in the wall?"

Scott smiled. "No way, babe. I've got it all figured out. I'll open the bedroom window beforehand. That way I can just shoot my lethal load into the sky. No harm, no foul . . ."

"Like my father shooting his shotgun on Independence Day."

"More or less."

Still, she hesitated.

"Don't you trust me, Joni?"

"You know I do."

"Then what's the problem?"

She lapsed into a lengthy silence in which she recalled the amazing sex they had just enjoyed. Scott had called it 'the best sex' of their lives. And he was right. She couldn't deny it. Nor could she flush the pills down the toilet, not if she wanted to experience such pleasure for a second

time.

"Okay," she said. "Let's do it."

Scott let go of her wrist. He proceeded to the bedroom and opened the window. It was dark out. Double-parked cars lined the curb on both sides of the street. A dog barked and a siren wailed. Another night in the city. He felt Joni's presence behind him, felt her hand on his. She placed one of the pills in his palm.

"Bottoms up," she whispered in his ear.

He swallowed the pill dry. Then he turned to face her. She had removed her blouse and bra. He pushed her onto the bed. She lifted her ass and peeled her panties to her knees, allowing him to finish the job.

"My cunt is so wet," Joni told him.

Joni writhed beneath him. She cried out crazily, her sizable tits bouncing as he drove his hips. She rubbed her clit with one hand, rubbed it as Scott lifted her legs onto his shoulders and slammed it to her, hammering her hot hole like a man possessed.

She came in a shuddering rush of blissful heat, spasming and moaning. Scott withdrew and padded to the open window. He stood there, his monstrous cock in hand, his balls brimming with sauce . . .

The Cavetts would be upset when they came home and found a hole in their wall. Scott wasn't overly concerned. He already had a story in mind, a story about rearranging the furniture and losing his grip on a heavy

Scott pushed her legs apart and entered her forcefully. She was right. Wet. Very wet. And tight. His cock was harder than it had ever been, a rigid baton. He fucked her hard and fast, thrusting frenziedly, stabbing and jabbing with his drug-enhanced member.

bookcase. Not a perfect story, he knew, but far better than the truth, which they wouldn't have believed anyway.

It was a clear night. The moon was full. A good target, Scott thought with a wry grin.

His father had always told him to aim high.

Who would have thought that glamorous model Aletta would make a move on her client? Sure, she can be sensual but Aletta was famous for her professional attitude. Personal Trainer

Our first session was pretty typical, going over my goals and diet. It gave me a good sense of his personality...

From my very first session with him, I knew I wanted to fuck my personal trainer, Joseph. He introduced himself with a firm handshake and I wondered what that calloused touch would feel like on other parts of my body. Joseph wasn't much taller than me but he was solidly-built with golden brown skin and light brown eyes. Broad shoulders stretched his shirt and gave me a clear view of the muscle definition underneath. He kept his hair short and his beard trimmed and styled. Our first session was pretty typical, going over my goals and diet. It gave me a good sense of his personality, and I booked another session with him right away.

Well it was really a week later, I wanted to make sure my order of new workout clothes would arrive in time for me to wear. Usually it was just a t-shirt and shorts but I knew I needed something more in order to entice Joseph. Looking online, I found matching sets of sports bras and leggings that left little to the imagination. The

fabric hugged my curvy figure just right once it arrived, and I knew I made the right choice.

Our next meeting was when the real work began. Joseph introduced me to the gym equipment and started me off with some basic stretches before we tested out the machines. I made conversation, asking him about himself, and learned that he was single. Lucky for me! I think he noticed my smile after I found that out.

I did my best to follow his instructions, ignoring the heat in my body whenever our skin touched, and pushing myself physically. He commented how impressed he was and I beamed at the praise. Our next sessions consisted of more of the same. Stretching and flirting and working. Up until I found a way to mention that I'd

like to show him how flexible I am in other ways, and he took me up on my offer for dinner.

It was a solid date, but what I was really looking forward to was the drive home afterward. We parked in front of his house, where I'd driven to meet him, but instead of getting out immediately so he could walk me to my car, I leaned over and locked our lips together. Letting it linger, I even released a small moan when we separated.

"I had a really good time tonight," I kept my voice low and hushed. "I'd hate for it to end so soon." Joseph pulled me in for another kiss. His grip on the back of my neck held me firmly against him. Eager lips trailed down my jaw and ran across my collarbone.

"Let's get inside," his gruff voice filled the intimate space of the car. Joseph reluctantly pulled back, leaving me breathless. I watched him get out and come around to my side of the vehicle. Joseph opened my car door and went in for a kiss again. I felt his hands wrap underneath each of my

thighs but I never expected him to do more than just pull me closer to him. He got a good grip and hoisted me up to wrap my legs around his waist while his hands readjusted to grab me by the ass. Delighted by this, I burst out into a fit of giggles. My arms went around the back of his neck and he held me firmly in his grasp as if I weighed nothing. Moving to close the car door with his foot, Joseph never took his eyes off mine. Not even while he walked us up the doorstep.

Only a second went past where he diverted his attention in order to unlock the door. I marveled at his flexed biceps holding me up at that moment. Before I knew it, he had me pressed up against the entrance wall and our lips were locked together again. Our tongues met and I melted into him. His hips pressed forward against mine, giving me a good sense of just how hard my kisses had already made him.

With the wall acting as support, Joseph's hands were free to roam my body. Squeezing my ass and trailing upwards to slide underneath my red blouse. I raised my arms so he could take the whole top off, and while our mouths were apart he looked down to appreciate my tits. Even in his big palms they were more than a handful each. His calloused fingers dragged over my soft skin, perking up my nipples into hard nubs for him to pinch. I moaned at that, letting my head fall back against the wall. Joseph's mouth dove down to capture one of my nipples between his lips. His tongue rolled around it, getting it nice and wet before he pulled back to blow on it. A gush of air on such sensitive skin gave me goosebumps down my entire body.

"I need you inside me already," I groaned.

"Oh yeah?" Joseph set me down on the floor so that he could rip my skirt down and flip me around to face the wall in one fluid motion.

He kept up this pace without breaking a sweat, just gripping my hips and watching my ass jiggle...

Calloused fingers met my leaking slit, teasing me with a light touch. "You really are ready for me, aren't you?" He chuckled. I pressed my palms flat against the wall and stuck out my rear even more. Joseph applied firmer pressure, playing around with my slick lips just to hear me moan.

Pausing for a minute, I heard a

couldn't help but scream, "fuck yes!"

After making sure I could take his full length comfortably, Joseph started to let go and thrust into me. Slowly, he built up the force of his hips meeting mine. I was being fucked against the wall harder and harder. I never wanted it to end. He kept up this pace without breaking a sweat, just gripping my hips and watching my ass jiggle against him over and over again. It was impossible to keep my composure. I was holding onto the wall for dear life when my orgasm suddenly wrecked through

metal buckle clank and turned to see Joseph's belt thud against the hardwood floor. Released from its confines, his cock stood proudly erect and curved upward. It was bigger than any dick I'd ever seen before, and I couldn't wait to feel it split me open.

"Fuck, put that inside me already!"

Joseph chuckled, but obliged. I widened my stance, bracing myself against the wall while he fucked into me inch by inch. The girth was unbelievable, I felt myself finding it difficult to adjust even with just the tip in. All the way inside, I could feel him rubbing against my g-spot, and I

my body.

Joseph wrapped an arm under my waist to help keep me standing. His hips never ceased their relentless mission. If anything, he just went faster. Fucking into me so well that I came again shortly after my first release. This time, he came with me. Pulling out at the last second, I felt his cum coat my ass and begin to drip down my legs.

I'd just had the best exercise of my life and was so exhausted that it was hard to hold myself up. Joseph ended up lifting me again and carrying me to his bed, wiping me clean and cuddling up for a well deserved rest.

Indulging in the diva lifestyle, Winnie spends a lot of my time shopping. Indeed, her most memorable sexual experience occurred in a high end jewelry store. Her man wanted to offer her something special, something more than a gold bracelet. Needless to say, she thanked him in the best way she could think of, and finished him off when they got home.
